International Finance Client: *“Flynt Group provides valuable counsel, insight and support. The support spans the entire security enterprise – from “hands on” tactical and operational training for security officers – to review & revision of firm-wide policies & procedures – to threat assessments & risk management (information, personnel & physical) – to 24/7 global emergency response services. The support is always thoughtful and tailored to both our specific business needs as well as our corporate culture. I couldn't be happier with the support and our relationship.”*

- CSO of an international banking and brokerage firm

National Retailer Client: *A national retailer's senior HR executive was targeted by an extremist group's intimidation campaign, including credible death threats against the family at their residence. Corporate leadership engaged Flynt Group to assess the situation and design a protective program. Assessment and design centered on family members' vulnerabilities and patterns of life. The delivered program included state-of-the-art technologies, a trained canine, a suitably equipped SUV for the spouse and children, and an in-depth, focused training package for the executive and his spouse in personal protection, situational awareness, counter-surveillance, non-lethal devices and advanced tactical weapons skills, concealed carry, and home defense drills.*
