Flynt Group Awarded Intelligence Training Contract

Kansas City, MO – April 29, 2009 – The Flynt Group, Inc. announced today that following an unrestricted, competitive bidding process it has been selected to support a US Army Military Intelligence unit with Counterintelligence, Human Intelligence, and Signals Intelligence (SIGINT) training and services.

Flynt Group's CEO, Dr. Bill Flynt, commented: "We are extremely proud to have been selected in this open competition as the best choice for providing these specialized training services. We were competing against much larger companies, but the government assessed our team as the superior talent. There isn't a more serious responsibility than being entrusted to train our Nation's Soldiers. This unit's Soldiers and their skills are vital to effective targeting of terrorists and insurgents, and our team will do everything possible to equip them with 'Actionable Knowledge'® before they go in harm's way."

For information on how we can support your requirements, please contact us at 877.FLYNTGP (877.359.6847) or Info@FlyntGroup.com, or visit www.FlyntGroup.com.
