Regional Supply Chain Analysis Awarded to Flynt Group

Kansas City, MO – September 20, 2013 – The Flynt Group, Inc., announced today that a US Government agency selected it to conduct a comprehensive supply chain analysis of a multistate, intermodal transportation region vital to rail, ground, air, and maritime shipping.

Flynt Group's CEO, Dr. Bill Flynt, commented on the award stating "This project supports several initiatives aimed at revitalizing the United States' competitiveness in manufacturing. Our charter is to identify, map, and assess the strengths, weaknesses, gaps, and redundancies in regional supply chains. We will equip our client with a strategic plan that optimizes the region's capabilities and capacities in support of America's manufacturing businesses."
