Fortune 200 Firm Selects Flynt™ for Risk Advisory Services

Kansas City, MO – April 28, 2016 – The Flynt Group, Inc. announced today that a venerable Fortune 200 firm with over 125 years of innovation and operations in nearly 70 countries has retained it to provide Risk Advisory Services.

Flynt Group's CEO, Dr. Bill Flynt, LTC(R), stated: "We are excited to support this iconic company. Their leadership team is launching a strategic program to design and deploy a global enterprise risk management system that equips the Board and Officers with insights into their risk portfolios and levels of risk acceptance. We are delighted to be part of their team."
