Special Assessments

Risk-intelligent firms need to understand the stakes and quickly assess the risks posed in the shifting international environment. Global economic turmoil, regime change, failing states, and emerging threats are just a few factors shaping executives' strategies and decisions. Flynt Group equips our clients with *Actionable Knowledge*® that goes beyond canned approaches to create powerful, richer insights and reinforce executive certainty across a dynamic spectrum of alternative futures. Our analysts' expertise in scenario-based modeling is unmatched, and our tailored studies enable our clients to reduce risk and cost, delivering return on investment in a complex world.

Client: U.S. Department of State.

Challenge: U.N. Peacekeeping Forces required scenario-based plans driving training and operations throughout Africa.

Actionable Knowledge® solutions: Flynt Group applied expert knowledge of political-military doctrine and operations, threat research, regional analysis, and human terrain analysis in developing a full-spectrum suite of plans supporting tactical, operational and strategic operations.

One of Our Tools: STEEPLED Analysis

Flynt Group equips our clients with in-depth analysis directly relevant and tailored to their specific information requirements and business. Products include detailed analysis of the below factors' impacts, among others, on our clients' goals:

- Socio-cultural
- Technological
- Economic
- Environmental
- Political
- Legal
- Ethics
- Demographics
